- Lighthouse and FAIR – Fees paid should be carried over and utilized for allowable program expenses.
- County policy on non-payment of cost share may result in service termination.
- *Scale based on 200% of current U.S. Federal Poverty Guidelines.
- **Allowance must be made for medical expenses by reducing income in the amount of the annual expenses incurred.** (Example: Individual income \$45,000 minus annual medical expenses of \$8,000 = income would be reduced to \$37,000, and fee would be \$3.50 per hour for FAIR and \$4.00 for Lighthouse.)
- The Agency is still responsible for averaging \$1.00/hour for each hour of service provided.
