PERSONAL CONDUCT POLICY POSTING

Senior Center Attendees:

We strive to provide a safe and pleasant environment where people can gather to socialize and receive needed services. We ask that you and everyone who enters this facility be mindful of their conduct; treating others with respect and dignity.

We do not condone and will not tolerate any verbal or physical abuse/harassment nor will we permit anyone to engage in behaviors that disrupt services or activities. Individuals who are acting in a disruptive or abusive manner will be asked to leave. In cases where an individual is repeatedly disruptive or abusive, that person may be banned from the facility. The ban may be for a specified period of time or permanent.

We appreciate your cooperation in this matter and look forward to serving you!

In-Home Service Recipients:
