

**West Virginia Executive Branch
Privacy Tip of the Week**

October is National Cyber Security Awareness Month

This week's tip:

Be a Good Online Citizen

- Safer for me, more secure for all: What you do online has the potential to affect everyone—at home, at work, and around the world. Practicing good online habits benefits the global digital community.
- Post only about others as you have them post about you.
- Help the authorities fight cyber crime: Report stolen finances or identities and other cybercrime to the Internet Crime Complaint Center (www.ic3.gov) and to your local law enforcement or state attorney general as appropriate.

Practice STOP. THINK. CONNECT. Encourage others to do it as well.
