

**West Virginia Executive Branch
Privacy Tip of the Week**

October is National Cyber Security Awareness Month

This week's tip:

Be Web Wise

- Stay current. Keep pace with new ways to stay safe online: Check trusted websites for the latest information, and share with friends, family, and colleagues and encourage them to be web wise.
- Think before you act: Be wary of communications that implore you to act immediately, offer something that sounds too good to be true, or asks for personal information.
- Back it up: Protect your valuable work, music, photos, and other digital information by making an electronic copy and storing it safely.
