

West Virginia Executive Branch Privacy Tip

Click [HERE](#) to take the **CYBER SECURITY PLEDGE**

October is National Cyber Security Awareness Month!

Stay tuned for tips to help you stay Cyber Safe!

Tip #1: Be Web Wise

- Stay current. Keep pace with new ways to stay safe online: Check trusted websites for the latest information, and share with friends, family, and colleagues and encourage them to be web wise.
- Think before you act: Be wary of communications that implores you to act immediately, offers something that sounds too good to be true, or asks for personal information.
- Back it up: Protect your valuable work, music, photos, and other digital information by making an electronic copy and storing it safely.
